Dear Stephanie,

Again, congratulations on the one-year anniversary of your program, *Travel with Stephanie* on the Business Talk Radio Network.

It was very exciting to be part of your program and to follow, the Executive Director of Historic Hotels, Thierry Roch's commentary. I commend your efforts to provide travelers with a wealth of knowledge. Based upon your show's information, travelers can select hotels, airlines, tours, restaurant, and so forth, which meet their personal preference and which will ultimately help to ensure guest satisfaction. For instance, our conversation gave me the opportunity to speak directly about the various accommodations and the guest experience here at the Hay-Adams.

Once again thank you for having me on your show! Please let me know if there is ever an opportunity for us to work together again.

Sincerely,

The Hay-Adams
